

Imagine Hope Public Health Partners

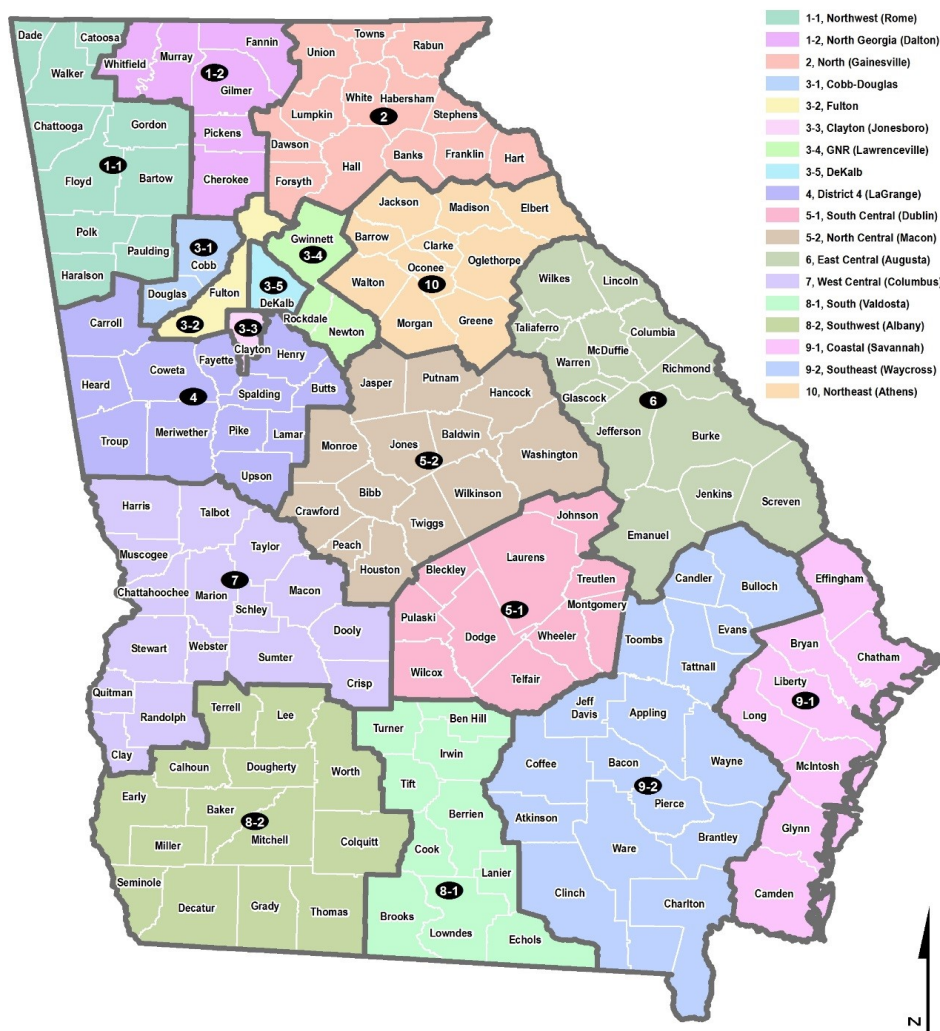

Georgia Public Health Districts

The Division of Public Health HIV Services has a network of HIV Prevention Linkage Coordinators (LC's) dedicated to helping connect individuals to life saving care.

These LC's are your partners when it comes to linking individuals to care.

Please reach out to the LC in your community before you start testing and introduce yourself. **Be sure to say you are with the Imagine Hope project.** If you have any difficulty, please call Tina Gossett at 706.934.5268.
